Revenue Department, B a n g a l o r e.

SIR,

With reference to Government Order No.1774/G/Muz.418-20-15 dated the 24th June 1924, accepting a bequest for the encouragement of the Ayurvedic System of medicine from the Executors of the Will of the late Vaidyaratna Pandit D. Gopalacharlu of Madras, and forwarding to this office for realisation a cheque and three share certificates, I have the honour to request that the cheque which is herewith returned may be kindly got endorsed in favour the Agent, Imperial Bank of India, Bangalore, so as to enable me to realise the amount. As regards the three share certificates pertaining to the Indian Bank Limited, Madras, Andhra Ayurvedic Pharmacy Limited and the Indian Industrial Co., Ltd., I find that they have not been transferred to the Government of Mysore and I therefore request that either these share certificates may be returned to the executors of the will for selling them and sending us the sale proceeds or for getting them transferred in favour

the Bank of Mysore Ltd., through whom we may then arrange for their sale. Unless the transfer of these certificates is formally registered in the office of the Companies concerned, they cannot be sold by us and hence the above request. The certificates are accordingly herewith returned.

2. The amount when realised will be deposited in Government Savings Bank as instructed in your letter No.86/Muz. 418-20-15 dated the 17th instant.

Sir,

Referring to para 3 of Government order No.1774-76/M.F.416-20-15 dated 4th June 1924 requesting me to submit proposals for the utilization of the interest accruing on the endowment of the late Pandit D. -- Gopalacharlu of Madras, I have the honor to submit herewith correspondence ending with letter Dis.A.No.104 dated 27th August 1924 from the Senior Surgeon suggesting that the interest may be set apart for ---- conducting original investigations of the indigenous drugs with special reference to their pharmacological action and their therapeutic uses -- and that the development of Ayurvedic system of medicine should be undertaken by the exponents of that system of medicine.

2. Dr. Laksmipathi of Madras who was informally consulted by me is of opinion that the best way of commemorating the memory of the generous donor is to establish the Mysore Ayurvedic College on modern lines by opening out new channels for the study of Ayurvedic Sciences and for ---- conducting research on modern lines.

3. The managing committee of the college who were also consulted in the matter have resolved that the annual income be utilized for establishing half a dozen inpatient beds in the Ayurvedic Dispensary to enable the students of the college to study clinics.

4. There are not sufficient facilities just at present to open

in-patient ward as attached to the college and much preliminary work by way of building and equipment has to be done before it could be successfully attempted. This aspect of the question may be advantageously --- reserved for consideration in connection with the reorganization scheme after the return of the Medical Officer proposed by me to be deputed for study and training. (Vide letter dated 10th June 1924.)

5. The suggestion made by Dr. Mylvaganam which is almost on the same lines as that of Dr. Lakshmipathi commends itself to me and I beg therefore to recommend that the interest accruing on the endowment may be -- added on to the corpus of the fund till the scheme is elaborated and -- orders of Government are passed. The will of the late Pandit gives full discretion to Government to utilize the amount either for remuneration of a Pandit (chair) or for research work or for other purposes of the college. The desirability and necessity of the investigating indigenous drugs on --- scientific lines with a view to develop Ayurvedic medicine and of providing adequate Laboratory equipments cannot too strongly be emphasised.

6. The favour of orders is solicited.

I have the honor to be,

Sir,

Your most obedient servant,

D.O.No.Dis.A.104 dated 27th August 1924 from Senior Surgeon in to the Muzrai Commissioner in Mysore.

"I am in receipt of your D.O. letter No.C.1188 of 23-24, dated the 24th/25th July 1924 calling for suggestions how to utilise the --- interest accruing from the nonation of the late Mr. Pandit D.Gopala-charlu of Madras, for advancing Ayurvedic Medicine in this State.

The Mysore Ayurvedic College, as constituted and managed at --- present, is not at all suited for any real scientific work. What is needed is original investigation of the indigenous drugs with special reference to their pharmacological action and their therapeutic uses. But the development of Ayurvedic System of medicine as such, with their antiquated methods of diagnosis, need not be considered. This work should be undertaken by the exponents of this system of medicine.

I have already recommended to Government to depute one of our Assistant Surgeons, who is already in England, to specialise in Materia Medica and pharmacology with the view to take the chair of pharmacology in our Medical College on his return. I would therefore suggest that the interest, accruing from the said fund, may be set apart to meet the expenses for research.

A detailed programme of work will be sent for your approval after the return of the Officer from England."
